

# TECHNICAL DATA SHEET

## FLT 3900 FINE LINE TAPE

### Product description:

- Flexible temperature resistant fine line masking tape especially developed for multi-color paint applications of plastic parts such as bumpers
- Very thin, conforms to the dimensional changes during oven-drying and does not shrink or lift off.
- Does not leave residues after removal.
- The flexibility of the backing material allows good conformance to multi-dimensional services.

### Construction:

- Orange PVC Copolymer (120µm)
- Adhesive layer (25µm)

### Applications:

1. Multi-colour paint applications
2. Plastic parts (bumpers....)
3. Not recommended for long term outdoor use

**Note:** Unless stated otherwise all values given are average. All of the tapes in our range should be thoroughly tested on the substrates in the particular application they are intended for. Industrial Adhesive Solutions will not be responsible for product failure unless full testing has been completed. The customer has to decide on the tapes suitability for the intended application.

### Technical Data:

Item	Unit		Spec.		Test method
<b>Total thickness</b>	µm	In	120	0.0047	-
<b>Tensile strength</b>	gf/25mm	lbf/in	6373	14.05	-
<b>Adhesion to steel</b>	gf/25mm	lbf/in	867	1.91	-
<b>Elongation at break</b>	%	-	180	-	-
<b>Temperature Resistance</b>	°C	°F	150	302	-
<b>Temperature Resistance</b> (Short term)	°C	°F	180	356	-

These suggestions and data are based on information we believe to be reliable and accurate, but no guarantee of their accuracy is made. Industrial Adhesive Solutions Limited shall not be liable for any damage, loss or injury, direct or consequential arising out of the use or the inability to use the product. In every case, we urge and recommend that purchasers, before using any product in full scale production, make their own tests to determine whether the product is of satisfactory quality and suitability for their operations, and the user assumes all risk and liability whatsoever, in connection therewith. Please contact us for further assistance and information.
